

CARNEGIE SCIENCE CENTER
One of the four Carnegie Museums of Pittsburgh

! SciTech Senior Afternoons

● at Carnegie Science Center

1 - 5 pm daily, Oct. 16-20, 2006

SciTech Spectacular is an interactive festival of what's cool and cutting-edge in science and technology in this region and beyond. This unique annual celebration focuses on our region's growing industries: biotechnology, nanotechnology, robotics, advanced materials processes, environmental technology and information technology. It's the only event of its kind in the United States!

These are just some of the experiences you can enjoy during SciTech:

- Explore interactive exhibits from Pittsburgh's hottest science and tech companies.
- Laugh at a comedy show about the science behind dating and relationships.*
- Marvel at **Fruit Flambé** in the Kitchen Theater.*
- Visit **Risk**, our newest exhibit, to find out what kind of risk-taker you are.
- Ride along the Allegheny River on the world's first environmentally-friendly boat.*

Visits for senior groups start at just \$6 per person with advance reservations. For more information, call Bernice Woodson at **412.237.1625**. \$5 lunch specials will be available as well. www.scitechspec.org

Experiences marked with * require advance reservations for reserved seating. Some experiences carry additional fees. Programs are subject to change.
