

# THE FUR HAS HIT THE FAN.

And we should  
have seen it coming.

After their wildly successful film debut in [Groundhog Crossing](#), the dynamic duo were partying it up from the shores of Lake Erie to the Reading Terminal Market. But everything they ever cared about seemed lost in their newfound celebrity status. Instant fame caused a rift between our most beloved Pennsylvania celebrities.

Will fame destroy a great friendship? [Judge for yourself](#) and pass this along to a friend.
